Visit Area Families

The "Friendly Town" program, sponsored by the Community Renewal Society of Chicago, will make its appearance in the Mokena-Frankfort area July 27.

Six youngsters from Chicago's "inner city" will arrive here to spend two weeks as guests of four families. They will be picked up at their homes by their hosts and returned on Aug. 10.

The Albert Krusemark Sr. family will have two boys as their guests as will the Burton Breiderts at Frankfort. Another boy will be a guest in the Ezra Marti

home, also at Frankfort. The only girl will be at the home of Mr. and Mrs. Robert G. Nauman, Arbury Hills.

The youngsters participating in the program are between the ages of seven and 12.

The Community Renewal Society was formerly the Chicago City Missionary Society but the founder of the program many years ago was a Congregational Church Missionary group, according to Mrs. Nauman, who has charge of the program in the area.

"The purpose of Friendly Town" is to enrich appreciation for diversity within the human family," Mrs. Nauman explained. "Through sharing a living experience in a home setting, guest children and host families encounter different racial, ethnic and economic backgrounds. Friendly Town also provides the occasion for host families to know persons in the city and to come to understand the effects of our racist society."

WAYNE H. ROUSON, 20, son of Mr. and Mrs. Henry Rouson, 80th Av., Lincoln Estates, has received the silver wings of an Army aviator and appointed a warrant officer upon graduation from the Army Aviation School at Hunter Airfield near Savannah, Ga. He was schooled in helicopter maintenance and survival techniques in addition to a four months course in the various fire techniques and tactical maneuvers for helicopters supporting ground troops in combat.

4-H Fairs Are Big Days For County Farm Youths

This week and last have been big letter days for 4-H girls and boys in Will and South Cook counties.

The annual Will County 4-H Fair is on this week at Francis Field, Francis Rd., New Lenox Township. It opened Tuesday and closes tonight with a program that begins at 7:30 o'clock.

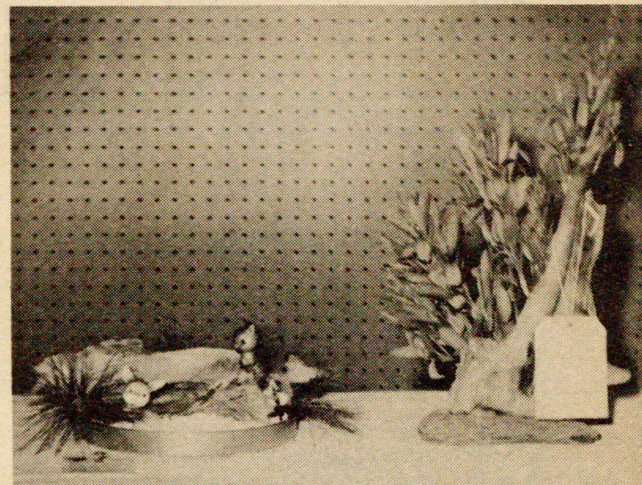

The South Cook 4-H Fair, also held at Francis Field, concluded last Saturday night.

The grand champion beef calf at the South Cook show was an Angus, owned and shown by Susan Strassenburg, of the Orland Girls 4-H Club. Her mailing address is Mokena. She also was the champion showman in the beef division.

The grand champion of the dairy division was a Holstein, owned and shown by Robert Cooper, 17, of the Orland South Siders 4-H. The champion showman in the dairy cattle division was Jerry McCarthy, 17, Tinley Park, a member of the Orland Boys 4-H. Michael Shechin, Orland, had the grand champion sheep.

Don Srelvo, Orland Park Boys 4-H, was the champion sheep showman and Allen Hoger, Tinley Park, was champion showman in the swine exhibit.

Robert Cooper also was first in crops and the boys driver skills contest. Susan Strassenburg, was first in foods. The electricity award went to Gary Cooper, 12, of the Orland South Siders 4-H. Carol Frye, Tinley Park, of the Orland Eager Beverettes 4-H, won

Larry Cooper, Orland South Siders 4-H, won the honors in the poultry contest.

David Lorenz, Chicago Heights and Marianne Cooper, Orland Park were chosen king and queen of the South Cook 4-H Fair.

Barbara Bernard, Mokena, of the Orland Eager Beverettes, had the best vegetable garden entry and Barbara Voelz, also of the Beverettes, won the flower garden award. Baby sitting honors went to Pat Rhodes, Mokena, of the Orland Girls 4-H. Patricia Piekarsky, of Markham, was first in the girls driver skills event. Photography honors

went to Ann Nienkanad, of the Flying Needles 4-H.

In the Will County 4-H Fair the poultry, rabbit and swine judging took place on Tuesday and the dress revue began at noon that day. Yesterday was devoted to the dairy and sheep judging and today, starting at 9 a.m. the beef breeds came up for judging and before the day is done the grand champion beef calf will be picked.

The judges in the food division will also get in their work this morning and the flower demonstrations will begin at 2 o'clock this afternoon.

The fair will close with tonight's program, starting at 7:30.

There is no admission charge. Francis 4-H Field is located on Francis Rd., a mile east of Cedar Rd.

Steam Will Have Its Days Again Next Week

The Will County Threshermen's Association will add their bit to the Illinois Sesquicentennial theme when they turn the calendar back to the days of steam power on the farm.

The Threshermen are holding their 6th annual Steam Engine Show at Francis 4-H Field, New Lenox, Aug. 1, 2, 3 and 4.

A large variety of engines will be on hand for the daily parade that will be held at 2 o'clock each of the four afternoons. Then they will be put to work, threshing oats, shelling corn, sawing lumber, grinding feed and plowing.

Internal combustion engines and electronics have put the steamers out of business in farming today but there are thousands of steam buffs who never miss an opportunity to see the old steam

driven machinery in operation. These ponderous giants exert a strange fascination for many and the steam shows draw the city dwellers as well as those from rural areas.

Years ago owners of steam rigs made a circuit of the farms in their areas to hire their services. As far as is known the last of such outfits to work in Will County called it quits about 1937.

The show will also feature plowing with horses, well drilling, an exhibition gas tractors, gas engines, and a source of power that goes back for thousands of years -- a yoke of oxen.

Antique car buffs will also find an exhibit in their field.

4-H'ers will serve refreshments and meals will be served at noon each day by the Will County Home Makers.

The Ladies Hobby Fair bake sale is slated for Saturday, Aug. 3.

As a part of the sesquicentennial theme the contents of the cornerstone that was removed from the Will County courthouse early this year will be on display in the 4-H Exhibition hall.

Admission will be \$1 per person but youngsters under 12 will be admitted free.

Activities will begin about 10 a.m. each day and cease about 5 o'clock, except on Saturday, when the closing hour will be 8 o'clock.

Ray Kestel, of Manhattan, is president of the Threshermen's Association. It is a non-profit organization but it strives to break even. These steam shows. A lot of time, hard work and money, goes into this show, it was pointed out.

Open Bids Monday On Orland Street Program

Bids on a program of road construction at Orland Park thru motor fuel tax money are to be opened next Monday morning at 10 o'clock in the village hall.

The village board, which adjourned last Monday night until next Monday, will meet that night at its regular time, 7:30 o'clock, to either accept or reject the bids.

Since the money for the program comes from the village's share of the gasoline tax collected by the state, the state wants to have one of its engineers present when the bids are opened. The engineers can cover more daytime meetings than ones held at night so the state

urges municipalities to open bids during the day. Village and city councils can then go over the figures at their regular meeting times and decide what to do.

Trustees Roger Frantz, Clifford Mehling and Robert Bibeau, Village Engineer Mark Lovejoy, and Superintendent of Public Works Robert Davidson will represent the village at the opening.

Lovejoy also has been instructed to prepare the necessary paperwork for the village to apply for MFT money for its street maintenance program. According to Trustee Frantz preliminary figures estimate the cost of this program will be about \$25,000.

In this maintenance program the village will take bids on material and the work will be done partly by village employees using rental equipment and the oiling and chipping will be hired out.

Lovejoy explained that the delay in starting work on installation of a large watermain on 151st St. is due to a strike at a plant which manufactures butterfly valves. Lovejoy specified this type of valve because it gives better service with less trouble, he said. He expected, however, that the valves would be delivered by Aug. 10 and work would then start on the project. This main will serve Imperial Metal and Chemical Co., which is paying a large part of the cost. Henry Rafacz, owner of the land between the plant and U.S. 45, is also paying a considerable amount of the cost.

The Orland Volunteer Fire Department, which made \$1,100 at its spring dance, turned in \$800 to the village to be applied to the purchase of 500 feet of 1 1/2-inch hose at \$40.80 per 50-foot lengths and six Scott Air Pack tanks at \$63 a tank. The total bill comes to \$786, Trustee Mehling reported. The purchases were approved. The firemen previously had spent \$300 to send four of its members for instruction at the University of Illinois fire fighting school.

Several years ago an attempt to form a fire protection district, including the Village of Orland Park, was voted down. At that time village officials were actively opposed to the idea on the grounds it would present too many problems. Since then efforts to get increased support for the department from township residents have

met with little success. There are still problems, it was pointed out at the village board meeting Monday night, but the proposal to form a fire protection district is being talked of again.

Building permits were issued to Hillcrest Builders for three homes with garages at 8925, 8937 and 9223 W. 147th Streets; similar permits were issued to Kenneth Driker for a residence and garage at 8641 W. 145th St. and Richard Koehne, at 8524 W. 145th.

Theodore Rockwood, 10228 Hickory St., was granted a permit for a room addition and one was issued to Joseph DeSelico, 9924 W. 143rd, for a room partition.

Request for a permit by INR Beatty Lumber Co. was held up by board action pending a discussion of side yards. Trustee Anthony Kozack, who heads the building committee, also would like to have more detailed plans than those submitted.

Mayor Melvin Doogan and Village Clerk Jon Anderson were authorized to sign the plat for Villa West subdivision in the vicinity of 135th and 86th Ave. This lies outside the village but within the mile and a half area of the subdivision ordinance and approval of the plat by the village board is required. The planning commission is expected to give approval too and the executed plat turned over to the developers by Village Attorney Raymond Pieper when he is furnished with the proper bond covering the village's interest. Thomas Stankus and 3-L Builders are the developers.

Trustee Kozack, in his capacity on the sanitation committee, has asked the aid of Village Pieper in drafting an agreement between the village and the Sanitary Disposal Co., outlining what is to be expected from both parties.

James E. Brueck, 27, who has served the village as a parttime policeman since last March after graduating from the village police school, has been given full time status by the village board, effective Aug. 1.

Will Police Dances

Sponsors of dances at the Veterans Memorial building in Frankfort will be required to police them, either thru their own organization or by hiring off duty village policemen.

The Frankfort village board took this action at the request of Police Chief Ted Massey. The chief reported to the board that in his opinion there should be police on hand at these dances.

Death Takes E. R. Bower

Funeral services for Eugene R. Bower, 43, of 15823 113th Court, Orland Park, were conducted last Thursday (July 18) from the Schmaedeke Chapel at Orland. The Rev. Walter Ledogar, of Christ Lutheran Church officiated. Interment was in Orland Memorial Park Cemetery.

Mr. Bower, a welder, died July 15, at Silver Cross Hospital, Joliet.

He is survived by his mother, Mrs. Lucille Bower, and a sister, Mrs. Clascina LeFevre, who is now residing in Indiana.

Plans Street Repairs At Frankfort

Richard Wunder, a road builder of Plainfield, will again repair the village streets at Frankfort.

Trustee Lynn Kohlhaugen, chairman of the street committee, reported to the board that the streets in Connecticut Hills are added to the list of those to be included in the maintenance program this year.

Wunder gave an estimate of approximately \$5,200 for the work. This is about \$1,500 more than last year, Kohlhaugen explained, because of the additional streets involved.

James Peyton Recovering At Silver Cross

James Peyton, 43, of 9343 Ethel Lane, Tinley Gardens, suffered a heart attack Monday, July 15 at Orland Park while working. He is employed by the village of Orland. He was taken to Silver Cross Hospital by Co. 15.

Mr. Peyton is in room 102 and will be there for about two more weeks. He would enjoy hearing from his friends.

For about a year he also wrote the column for Tinley Gardens in the Graphic Newspapers. We all wish him a speedy recovery.

Says Village Lacks Funds For Water Main

Eugene Herter, who plans to build a warehouse on Center Rd., south of Frankfort, appeared before the village board there to ask for extension of the water service to his site.

It was brought out that a 10-inch main would be required to assure the proper fire protection for a warehouse. The main would be 2,700 feet long, it was said.

Board members told Herter that the village lacked the money to extend such a

main. He was told he would have to finance the job himself unless other property owners along Center Rd. would join with him.

Water and sewer lines along Center Rd., south to the airport would add considerable to the value of properties fronting them it was said.

Herter is to confer with the village industrial committee to see if that body can suggest a solution for his problem.

Trygg Low Bidder On Mokena Paving

Letting of a contract for the widening and paving of Front St., between Division St. and Schoolhouse Rd., was scheduled for last night's meeting of the Mokena village board.

The mayor and trustees met last week with George Barber, of the Muford Engineering Co., village engineers for Mokena, and opened new bids on the project.

At the meeting June 26 two bids were submitted, one by Delta Construction, and one by Trygg Paving, both of Joliet. Both were rejected because they were too far above the engineers' estimate.

Under the bids opened last week it was apparent that the work would be done by Trygg Paving. Its new bid was \$51,096, so it went from high to low. Trygg's original bid was some \$58,000. Delta went up in its second bid, from \$53,000 to \$63,000. Last week the village also received a third bid, from a Cook County firm, Century Road Builders. That bid was \$53,511.

After the contract is awarded, it was explained, it will be about two weeks before the contract is signed and the proper bonds posted.

It is estimated that the job will be finished the latter part of September, weather permitting.

Front St. will match the remainder of that thoroughfare, which was widened and repaved a few years ago. The present grade between Division and Schoolhouse Rd. will be reduced. This means that the sidewalks must be replaced, it was said.

Voters May Register At Orland Park

Voters of Orland Township who are not registered have an opportunity to do so between now and Sept. 16.

Persons residing within the Village of Orland Park and Tinley Park may register at their respective village offices at any time during the regular business hours of such offices, according to Herbert P. Lucas, Democratic committeemen of Orland Township.

Those living outside of Orland Park may register in the township clerk's office, 9917 West 143rd St. between 7 and 9 p.m. on July 30, Aug. 6, Aug. 20, Sept. 3, and Sept. 16.

Kennedy School Festival

Annually on the last Sunday in July for 19 years, all roads lead to 123rd and Wolf Road in Palos Park - the Mecca for festival goers. Here under the Big Top, the St. Coletta Guild of the Lt. Joseph P. Kennedy School for Exceptional Children holds its Summer Festival; this year on July 28.

Chief source of financial assistance for the Franciscan Sisters in their continued training and education of exceptional children, the Summer Day Festival has been annually conducted by the children's parents and friends of the school.

The school is a day and resident school for retarded boys between the ages of 6 and 12 years of age of any race, creed or ethnic group and is owned and operated by the Sisters of St. Francis of Assisi.

Culmination of the Kennedy program is the service offered by the Job Training Center, located on the Kennedy campus and supervised by personnel trained in rehabilitation.

A "fun for all ages" party is the slogan that the combined forces of the committee are using to assist them in their fund raising project this year. The school

Open Letter from the HIRSCHS'

Dear friends,

Any suggestion or display of affluence in a funeral service is, in our opinion, in poor taste.

It is our belief that the funeral directors should be as inconspicuous as possible. A funeral service is a religious rite.

The many details involved should be handled quietly, respectfully, and without ostentation. We consider this our duty and responsibility.

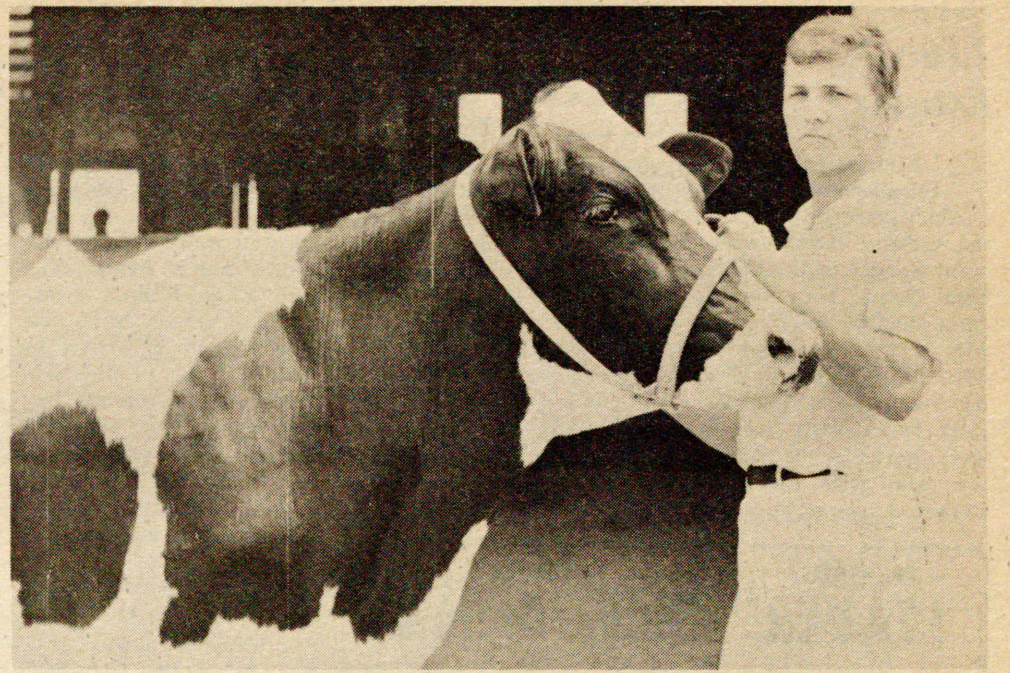

Respectfully,

Carl H. Hirsch

Orland Park Methodist Group Plan Trip To Starved Rock

Mrs. Sherman Knox
Telephone: 349-0211

Every Wednesday afternoon about 50 youngsters take part in a day camp in the Methodist Church. The afternoon begins at 1 p.m. with interest groups. These include a band, guitar and folk singing, arts and crafts and drama. High School youths are counse-

lors. A field trip is taken somewhere each week. They have visited the Field museum for the Masda exhibit, the little red school house and the Brookfield Zoo, and the porpoise show there. Wednesday, July 17, the group went to the Graue Mill in Hinsdale. There will be no field trip away from home, July 24. Instead the groups will spend more time

on their special interests and recreation. There will be a hike around McGinnis Slough.

The groups are very busy each week, the band practices hymns, the drama group is making puppets and the folk music and guitar group are learning to play folk hymns and lead singing. The craft and nature group made

name tags out of wood for everyone.

On July 31, a bus trip to Starved Rock State Park is planned. The bus will leave the church at 1 p.m. and return at 8:30 p.m.

The High School youth working as counselors are: Cindy Bengtson, Pam Ashley, Januce Jennings, Debbie Adams, Jill Arp, Janice Hinz, Pat Osborne, Joannine Metzger, Karen Taylor and Susan Kopack.

The July meeting of the New Lenox Hayshakers was held July 16 at Francis 4-H field, with pres. Gary Ebert presiding. State club week delegates, Lyle Tewes and Gary Ebert reported on State 4-H club week. Calvin Anderson gave a report on the club project, and Gary Schroeder gave a report on the County Agriculture Demonstration contest, and a sesquicentennial committee was chosen.

Talks were given by Gary Fritz and Kurt Tewes and Paul Hinspeter, Alan Ebert, Calvin Anderson and David Koll gave demonstrations. After the meeting our record books were checked and additional record sheets were handed out. The club picnic will be held Aug. 13.

The Mokena library board announces the appointment of Vernon Lankenau as a member of the board to replace Rita Schilling, who has moved out of the district. Vernon is a design engineer with a company in Joliet.

The appointment was made by the board at its July meeting. At the same meeting, the board approved an estimated budget for the coming year, which will be posted according to law. After it has been reviewed by its attorney in corporation with board pres. Gordon Holleman.

The little league Mokena twins won two out of three last week, one on a forfeit by Lincoln Estates, as the season moved into its final three weeks.

On Thursday, the twins avenged an early season loss as they trounced the Frankfort cubs, 8-0. Barry Gaba pitched an outstanding game giving up only four hits and Ronnie Thomas was the hitting hero with three hits and three runs scored.

What looked like a sure win over the first place New Lenox Savings yankees turned into the most heart-breaking loss of the season on Friday night. With ace Gerry Thomas on the hill, the twins took a 4-2 lead into the final inning only to commit four errors after two out to give the game away,

5-4. Thomas pitched brilliantly, as usual, as he fanned ten and gave up only three hits. Gerry has now struck out 57 men in 36 innings but has only two wins to show for it.

Tonite the twins are at New Lenox for a rematch. Team support has been virtually non-existent.
